Re: Mailing List and Ecology Logo

Dear Dean:

Enclosed please find a clean copy (except for one additional name) of the Ecology mailing list for Colbert. I have spoken to our word processing person, Renae Stamey, and she said that a copy of the computer disk could be made and sent to you or Larry Beard, so you do not need to re-input the names and addresses. She does need to know your computer format and how the address labels would be printed before she copies the disk. She can be reached at (206) 438-3020.

I have sent a larger Ecology logo to Larry Beard in his copy of this letter, per his request.

If you have any questions, please give me a call at (206) 438-3043 or Scan 585-3043.

Sincerely,

Mike Blum
